About us

- ❑ Countrystyle Group is a leading Waste Management and Recycling Company operating throughout the South East of England and East Anglia.
- ❑ We remain a family owned business dedicated to offering our clients carefully tailored waste management and recycling services, delivering cost effective methods of managing all types of waste without damaging the planet.
- ❑ We are committed to protecting the environment by diverting as much waste from landfill as possible and converting it into reusable materials or carbon efficient energy.
- ❑ From providing one-off domestic skips to dealing with complete waste streams from large multinational companies, the capabilities of the Group are constantly expanding throughout the public and private sector.

What is Bulky Waste

- ❑ Large bulky items from both the domestic, commercial and industrial waste streams to include the following:
 - Mattresses;
 - Carpets and Underlay;
 - Bed Bases;
 - Sofas/Armchairs;
 - Large Items of Furniture e.g. Wardrobes, Chests of Draws;
 - Large Wooden Items e.g. Packing/Storage Cases.

Kent CC Bulky Waste Trials

- ❑ Successful trial completed between January and March 2010.
- ❑ Bulky Wastes taken from Pepper Hill and Church Marshes HWRC's/WTS's (200 tonnes /week).
- ❑ Taken to Countrystyle's Ridham Dock Facility.
- ❑ Front end sorting to remove any large recyclable items e.g. metals and timber.
- ❑ Shredding of the remaining material with ferrous metal recovery.
- ❑ Resulting floc sent to a local incinerator as a feedstock.

KCC Trials - Continued

Carpet & Underlay Wastes

- ❑ Carpet Tiles sent for reuse applications from relocation firms in the City and manufacturers.
