

Green Deal and Sustainable Retrofit workshop

Tuesday 24th January 2012, 9 – 4pm
 Brighton Junction, Isetta Square, 35
 New England Street, Brighton BN1 4GQ

09.00 Coffee and registration

09.15 Introduction to the day and One Planet Living

Session 1 - Policy and Finance: Update on Green Deal and sustainable retrofit

09.30 Financing sustainable retrofit: Introducing the Green Deal programme

09.50 Piloting best practice: The Sutton Green Deal pilot, TSB Retrofit for the Future

10.10 Technologies – what works and what doesn't?

10.30 Re-skilling to Retrofit

10.45 How can we retrofit the UK building stock? - Community exemplars and mass-retrofit programmes

11.00 Coffee

Session 2 - How can we do it sustainably? – Best Practice: Decontamination to Deconstruction

11.30 Whole life carbon and embodied carbon: How much is retrofit worth?

12.00 Case Study 1: Site Waste Management Plan for refurb - avoiding landfill and maximizing reuse

12.20 Case Study 2: Whole street retrofit: What did we learn from enveloping Sheffield?

12.40 Case Study 3: Minimising carbon: Taking a reuse-led approach

13.00 Lunch

Session 3 – Making it Happen: Opportunities for Best Practice and Leadership

14.00 Challenges in reclaiming the future: Rebound effect, China and public houses

14.30 Two sub-groups will then explore opportunities in:

Sustainable procurement and sustainable business

- Sustainable procurement – embodied carbon
- Sustainable cities – the way forward?
- Offices, hospitals and schools

Social enterprise opportunities

- ReIY: How to set up a building material reuse centre
- Tackling empty spaces: Living over shops
- Initiatives to link retrofit and behaviour change

15.30 Feedback from workshops, questions and answers

16.00 End

Event contact on the day is Ronan Leyden on 07951528582
