- **Neighbourhood Furniture Store**
- **Countrystyle Recycling**

## NEIGHBOURHOOD FURNITURE STORE

*accepting goods for better homes*

**The Neighbourhood Furniture Store is a not-for-profit community project.**

We supply comfortable and affordable furniture to people on low incomes in Swale and Medway. This is an environmentally friendly alternative to throwing good quality furniture away.

We use the money that we make to support the long term future of the project.

The store is managed by Fresh Visions People Ltd, a charity founded and supported by AmicusHorizon.
